

Bugs Be Gone

Lice 101

Your child interacts with many other children, whether at school, daycare or on the playground. The possibility of a lice outbreak is something every parent has to deal with. Stop lice dead in its tracks by being informed and preventing the lice from coming into your home.

Head Lice Prevention

Head lice treatment can be rather unpleasant and costly. We offer top-of-the-line products to help prevent a case of head lice from occurring. Our products are powerful, yet gentle enough to use every day for the entire family!

Lice Defense Shampoo

Use several times a week when an outbreak of lice has been discovered. This shampoo is even gentle enough for daily use.

Lice Defense Leave-In Conditioner

Spray on wet or dry hair each morning. The fine mist will refresh the hair with essential oils and provide extra protection against lice.

Lice Defense Hair Spray & Styling Gel

Apply to damp or dry hair, focusing behind the ears and at the nape of the neck. These styling products will help shield and protect the hair, making it difficult for lice to attach.

All-natural Removal System

While prevention is always the best defense, sometimes lice happens. We do not offer a lice removal service in-salon, but we do have an easy-to-use kit by Fairy Tales called Lice Good-Bye that includes a Nit Comb to safely remove lice and their eggs at home.

Lice Good-Bye with Nit Comb

Clinically proven to dissolve nit "glue" and break down the skeletal system of a live bug. Pesticide and chemical free, this shampoo can be use repeatedly until all nits are gone! Safe and effective for children of all ages.
